Please indicate the name of your preferred organisation/group

Disclaimer - Donations appear online as a number without any identifying information and in accordance with our privacy policy.
If your group has not yet registered, you will be notified.

Thank you for enrolling to donate blood

Blood donations are essential in providing life-saving treatments for the Australian community. The greatest need for blood typically comes from patients with cancer or leukaemia, accident victims and some mothers during pregnancy and childbirth.

The questions on page 2 are a quick checklist to help determine if you are able to give blood.* If you are unsure, please talk to an Australian Red Cross Blood Service staff member or call 13 14 95.

*Further eligibility criteria apply, and you will be required to complete a comprehensive questionnaire before your eligibility to donate is determined.

On the day of donation

Be prepared by having plenty of liquid in the 24 hours before donation especially in warm weather.

Eat up. Make sure that you eat something in the 3 hours before donating.

Drink up. Have 3 good-sized glasses of water or juice in the 3 hours prior to visiting the donor centre.

Bring ID. Please bring at least one form of photo identification.

Thank you for enrolling to donate blood. We look forward to seeing you soon.
Please turn the page and complete the questions about your eligibility to give blood.

Enrol to donate blood

Please read the questions carefully and respond by placing a cross in the relevant box.
